Returns and Refunds. Rankleads.com does not offer refunds but will replace any bad leads with good leads. Bad leads are defined as leads that have incorrect information, such as an incorrect phone number or email address. Client agrees to submit a lead replacement request via email to their support representative at Rankleads.com in the event they receive any bad leads.

Limitation of Liability. In no event shall Rankleads.com, its employees, officers, or directors be liable in contract, tort, strict liability, warranty or otherwise, for any special, incidental or consequential damages, such as, but not limited to, delay, disruption, loss of product, loss of profits or revenue, loss of clients, loss of use of the equipment or system, changes in reputation, online feedback, additional expenses, non-operation or increased expense of operation of other equipment or systems, cost of capital, or cost of purchase or replacement equipment systems or power. Lead Generation Disclaimer. Rankleads.com uses various methods to generate leads, some of which involve direct outreach to clients via email and posting to contact forms. According to the CAN-SPAM act of 2003, companies engaging a 3rd party to send email messages (which can loosely be interpreted to also include contact form messages, posting comments on blogs, making comments in forums, and posting on social media sites) on their behalf are also liable for the actions of that company. Although Rankleads.com attempts to follow the legal guidelines that have been established, the interpretation of what is and is not considered SPAM is not well-defined for B2B email and our service carries with it certain liabilities to both ourselves and our clients. By signing this agreement client acknowledges that they are aware of these liabilities and are willing to accept those as risks of lead generation.

Disputes. Client agrees to notify Rankleads immediately in the event of any problem in order to give Rankleads the ability to rectify the problem. Any disputes arising from this agreement will be litigated or arbitrated in Bonneville County, Idaho. This agreement shall be governed and construed in accordance with

the laws of the State of Idaho.

Agreement. This agreement is the complete and exclusive statement of the mutual understanding of both parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this agreement. This agreement may be changed or added to at anytime by written agreement of both parties.
